

X-linked Hypophosphatemic Rickets International Registry (HIC# 0907005408)

WHO:

- ❖ Exclusively for Patients with a Clinical Diagnosis of XLH

PURPOSE:

- ❖ To compile clinical data on XLH (age of diagnosis, symptoms, treatment history, etc.)
- ❖ To gain a greater understanding of the complex and varied profiles of patients with XLH
- ❖ To improve the global understanding of this disease
- ❖ To determine an accurate assessment of the incidence of XLH in the population worldwide

FUTURE GOALS:

- ❖ Resource for patients and families with XLH
- ❖ Connection between clinicians, researchers, and patients
